SUBMISSION TERMS AND CONDITIONS

As the applicant, I declare that:

1. I have completed and hereby submit my application for the EuroTech Joint Supervision Program in accordance with the information and explanatory notes provided;
2. The application information is true, up to date and complete; and
3. There are no reasons (legal or otherwise) that would prevent me from submitting the application information.

I further understand and agree that:

1. I must promptly inform the TUM Graduate School of any change to the application information that may affect the application, as well as any application information that is or becomes false, incorrect, incomplete or misleading;
2. In case of a successful admission into the exchange program, there is an ongoing obligation for me to provide and update the TUM Graduate School with true, relevant and current information related to the doctoral research project;
3. The TUM Graduate School may at any time reject or suspend the application or may vary or cancel any decision (including any offer) it makes in relation to the application if the TUM Graduate School has reasonable grounds to believe any part of the application information, or any declaration I have given, is or has become false, incorrect, incomplete or misleading;
4. I provide the TUM Graduate School with permission to use and disclose the application information to related staff and faculty at the EuroTech partner.

Data Protection Information

When you apply for the EuroTech Joint Supervision Program, you are submitting personal information. With regard to personal information, please take note of the [Datenschutzhinweise gemäß Art. 13 Datenschutz-Grundverordnung \(DSGVO\) zur Erhebung und Verarbeitung von personenbezogenen Daten im Rahmen Ihrer Bewerbung.](#) (data protection information on collecting and processing personal data contained in your application in accordance with Art. 13 of the General Data Protection Regulation (GDPR)). By submitting your application, you confirm that you have acknowledged the above data protection information of TUM.
