

Acquiring an Embossed Certificate

After submitting your dissertation and passing your oral examination, you will receive your official doctoral degree certificate.

You also have the option to buy an [embossed certificate](#) for a **fee of 127 EUR**. You can find an example of the certificate's design in the TUM Doctoral Regulations (appendix 3c).

The embossed certificate is DIN A3-sized, printed in color and signed by TUM President Wolfgang A. Herrmann as well as by the dean of your degree-awarding institution.

If you would like to order an embossed certificate, please send an e-mail to membership@gs.tum.de.

Please send us a PDF file of your doctoral certificate or your preliminary certificate, and include the following information:

1. Date of your oral examination (only needed if you send a preliminary certificate)
2. Your address (for the invoice)
3. Indicate whether you would like to pick up the embossed certificate at your dean's office or if you want to have it send by mail

If all of your details are complete and correct, we will send you the invoice. **We will send the embossed certificate once the payment has been received. The delivery time is 4 to 6 weeks.**
