Join us on 27 September for the **TUM Doctoral Day & TUMblue**

A whole day and night dedicated to doctoral candidates: On 27 September, the TUM Doctoral Day will take place for the first time at the TUM campus Garching-Forschungszentrum. We invite you to a colorful program with compact workshops, an inspiring keynote, and a panel discussion. In the evening, look forward to TUMblue, the legendary networking event for doctoral candidates!

 The **TUM Doctoral Day** (2:00-6:00 p.m.) provides valuable insights into the many different paths and opportunities for doctoral candidates. After an opening keynote by **Prof. Dr. Alena Buyx** on science communication, there will be opportunities for exchange with you peers and the Graduate Centers, tailored compact workshops for your successful doctorate, and a panel discussion on various career paths after the doctorate.

 **TUMblue** (6:00 p.m.-2:00 a.m.), organized by the **TUM Graduate Council** celebrates our doctoral candidates. Under the motto "Illuminate the Horizon: Let your research glow!" the TUM Graduate Council organizes a rich program including a science communication competition, live music and a DJ set. Free food and drinks will also be served.

 What's there to wait? Seize this opportunity to gain insights from experts, receive hands-on tips for your doctorate, make new connections, and celebrate! Find the **full program on our website** and register for as many program slots as you would like.
