

Application for the TUM Graduate School Research@UofAlberta Grant

Outgoing TUM doctoral candidates participating in the TUM-University of Alberta Joint Supervision Program may apply for the exclusive Research@UofAlberta Grant consisting of:

- travel support of 1000 EUR
- 400 EUR per month to support accommodation and living expenses in Edmonton for research stays up to 12 months at UofAlberta

You will receive the Research@UofAlberta Grant after your arrival in Edmonton to your German bank account. In order to receive the grant, please send us a copy of your flight ticket/boarding pass and payment receipt within the first month of your research stay at UofAlberta.

Have you applied/will you apply for any TUM-external (additional) funding to cover any expenses related to the TUM-UofAlberta Joint Supervision? (please clarify)

Data Protection Information

When you apply for this Grant, you are submitting personal information. With regard to personal information, please take note of the *Datenschutzhinweise gemäß Art. 13 Datenschutz-Grundverordnung (DSGVO) zur Erhebung und Verarbeitung von personenbezogenen Daten im Rahmen Ihrer Bewerbung* (data protection information on collecting and processing personal data contained in your application in accordance with Art. 13 of the General Data Protection Regulation (GDPR)). By submitting your application, you confirm that you have acknowledged the above data protection information of TUM.

I certify that the information provided in this application is accurate to the best of my knowledge. Furthermore I agree to inform the TUM Graduate School/Graduate Center immediately of any changes and amendments in the planned international activity. If the information provided is false or incomplete, the grant will be cancelled and all received funding rates must be paid back to the TUM Graduate School.

I have taken note that the information and documents provided in this application will be used by the TUM Graduate School for the decision about the award of the grant only. The decision of the TUM Graduate School cannot be contested and does not constitute a precedent.
